Deer

A stylized illustration of a deer, possibly a fawn, in a red and white halftone pattern. The deer is shown from the side, with its head turned back, looking over its shoulder. The background is a dense, red and white halftone pattern. The word "Deer" is written in a large, white, cursive font across the top of the image.

•Afterword•

It's February. The month of Valentine's. And so, as is customary, for February I made Valentine's-themed content ♡ (clap clap clap)

Last year's Valentine's book was... how should I say it... rather innocent, so this year I'm diving all the way in! (Please don't ask what I'm diving into...)

I was thinking that next year I would try to do ehounaki* yuri but... maybe that's impossible. ♪

Tankoubon Information

On February 11, on February 18, Chauchau Nannan will be published by Yumtime Comics

It's Full of kiss-kiss-kiss-kiss(?), so check it out ★

And definitely also check out Fragments of Love (Volume 3), published by Hakusensha ♡

The third volume finishes the series, so buy a whole bunch ♪

This year too I think I want to give all I've got to my work (and doujins, too)
